17

18   Effective October 15, 2012, parties e-filing a motion, opposition, reply or stipulation in any of

19   the civil cases related to *In re: TFT-LCD (Flat Panel) Antitrust Litigation*, 3:07-md-01827-SI,

20   multi-district litigation ("MDL") must comply with the following procedure. For the purpose of this

21   procedure, the term "motion" includes any filing that seeks a ruling from the Court; in addition to

22   motions and stipulations, this procedure applies to ex parte applications, discovery letter briefs, and any

23   other document that is e-filed using a motion event in CM/ECF.

24   **Step One**: The motion, opposition, reply or stipulation and all related documents shall first be

26   **Step Two**: The motion, opposition, reply or stipulation and all related documents shall then be

27   e-filed in each individual MDL member case to which it applies using either the event "Notice of

28   Motion/Stipulation Filed in MDL Master Case" (for motions and stipulations), or the event "Notice of

1 Opposition/Reply Filed in MDL Master Case" (for oppositions, replies and other responsive filings

2 related to motions). These notice events can be found in CM/ECF under "Other Filings" →"Notices."

3 That is, a motion event should not be used in an MDL member case.

4   **Note**: The last step in the e-filing process provides the filing party with a text box to enter

5 descriptive text that will appear with the filing on the docket. The filing party must include in that text

6 box (1) a description of the motion, opposition, reply or stipulation that was filed in the MDL master

7 case; and (2) the docket number(s) assigned to the motion, opposition, reply or stipulation and related

8 documents filed in the MDL master case.

9   **Example**: A party filing a motion for summary judgment that applies to member cases

10 3:09-cv-4997-SI, 3:10-cv-4945-SI, and 3:11-cv-0058-SI would:

24 describe, and note the docket number(s) assigned to, the motion and related documents filed in the MDL

25 master case.

27 (1) in Step One select the appropriate opposition or reply event from the "Motions and Related Filings"
